Projects

***Social Distance Analyzer :-**

- 1 - *To develop a technology that many trace whether the social distancing rules are obeyed or not.*
- 2 - To control any outspread of any future contagious disease
- 3 - To develop a privacy friendly software
- 4 - To preserve the work continuity while also keeping the people safe
- 5 - To increase confidence in people moving in public places

***MINI PROJECT :-**

***Employee Management System :-**

Management of employee is a tedious task .Moreover ,requires a close look upon employees data. most of work is done on complex desktop application and software product

We here present a mobile solution for management of employee and data lookup
